# Our Company

AM Resources Management was founded on the 21st of May 2012. (Formerly known as Triumph Resolution) Since its establishment, AM Resources Management has been providing various highly dedicated and professional services such as Education Recruitment, Job Placement, HRDF trainings and Professional Certifications.

AM Resources Management provides these services through a team of highly informative and knowledgeable counsellors and recruiters. Apart from Malaysia, AM Resources Management also has been recruiting students and candidates Internationally to get themselves exposed to the studies and jobs out of their motherland. Our success comes from connecting students and candidates to their respective sectors and introducing the correct pathway.

AM Resources Management is able to provide a job guaranteed offer to our students while education enrolment and we also provide quality candidates for job vacancies to our clients as we hold both Education Placement and Job Placement sectors.

Besides the mentioned service, we also participate in welfare projects organized by non-governmental organizations (NGO), awareness campaigns and many more. Our motive by doing so is to create a close and harmonious relationship as well as gaining trust from the candidates and clients.

# Our Welfare Programs

*Education is a crucial element for the entire young one to grow up and become a successful person. It is proven that there is quite number of students who quit their education at the secondary level and continue working due to financial problem. To provide every student the chance to experience and obtain tertiary education, we in AM Resources Management are dedicating our support to these students by helping them at our very best.*

# *Our Strategies*

# *Message from The Directors*

At AM Resources Management, we tend to live by the byword ‘right path for better future’, and unendingly attempt to increase the reach of top quality education and job placement on the far side the barriers of culture and site. Since the muse of AM Resources Management, we’ve got deeply committed ourselves to providing students and candidates with comprehensive education and career support services.

With a philosophy of expertise designed upon trust, openness, and passion, we tend to decide to extend the reach of top quality tertiary education and also the advantages that it brings to the broader community.

The commitment and drive of the AM Resources Management team can guarantee we tend to meet head on, any challenges that will arise within the future which we’ll still come through success for our employees, clients, candidates, students and community.
