# Our Company

Employment Stream Management was founded on the 21st of May 2019. (Formerly known as Triumph Resolution) Since its establishment, Employment Stream Management has been providing highly dedicated and professional Job Placement service. Employment Stream Management provides these services through a team of highly informative and knowledgeable counsellors and recruiters. Apart from Malaysia, Employment Stream Management has been recruiting candidates Internationally to get themselves expose to the jobs out of their motherland. Our success comes from connecting candidates to their respective sectors and introducing the correct pathway.

Employment Stream Management able to provide a job guaranteed offer to our students from sister company while education enrolment and we also provide quality candidates for job vacancies to our clients as we hold both Education Placement and Job Placement sectors.

Besides the mentioned service, we also participate in welfare projects organized by non governmental organization (NGO), awareness campaign and many more. Our motive by doing so is to create a close and harmony relationship as well as gaining trust by the candidates and clients.
